# Now, Delhi-based venture to help you book trucks using mobile application

| Monday | 21st January, 2019

Taking inspiration from the same concept, a mobile application based truck booking venture has been brought to the light of the day by Mavyn, a truck booking venture. The application has been connecting truckers with companies operating in various sectors like Fast-moving consumer goods (FMCG), lifestyle and E-commerce. This venture initiates the process of connecting the trucker with the company by verifying credentials at both ends. "The company has already tied up with more than 14 shippers, 600 truckers and has over 1200 trucks registered on its portal. The mobile application based cab booking business model has been a big hit in metro cities and has prompted a sudden increase in usage of taxis by daily commuters.
