

Health and Safety Policy

Mavyn.in
Your Digital Trucking Partner

We believe that safe work practices lead to better business performance, motivated workforce and higher productivity.

We shall create a safety culture in the organization by:

- Integrating health and safety matters in all our activities.
- Promoting health and safety awareness amongst truckers, drivers and suppliers.
- Continuous improvements in safety performance through precautions be sides participation and training of all stakeholders.
- Ensuring compliance with all applicable legislative requirements.
- Empowering employees to ensure safety in their respective work places.
